QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers. Dr. Edwards' Olive Tablets do not contain calomel but a healing southing

contain calomel, but a healing, soothing vegetable laxative. No griping is the "keynote" of these little sugar-coated, olive-colored tab-lets. They cause the bowels and liver to

act normally. They never force them to unnatural action. If you have a "dark brown mouth"—
bad breath—a dull, tired feeling—sick
headache—torpid liver—constipation,
you'll find quick, sure and pleasant results from one or two of Dr. Edwards'
Olive Tablets at bedtime.

Thousands take them every night just to keep right, Try them. 15c and 30c.
